### Why a Butterfly?

Around the school there are many beautiful butterflies flying free. They are a symbol and reminder to the children at the school of how education can transform their lives as they learn and can spread their wings... the sky is the limit for them now!

To help this project it now urgently needs more than one teacher, ongoing teacher training, safe sanitation inc. toilets & basic accommodation for teachers. These are our priorities for this year!

### HOW TO GET INVOLVED WITH

**Nayamba**  
SCHOOL

'Nayamba' means good beginning and the children of Nayamba school are delighted that they now have the chance of a great educational start in life. Nayamba school was set up in 2010 after one woman saw that there was no school option for the Zambian children living around her & her neighbours farmlands. Government schools were not only fee paying but also too far away for families with little or no income & no means of transport. Until this project, school was just a dream for hundreds of these children... but not anymore...

**CO-ORDINATED BY  
ST. MARTINS CHURCH,  
EXMINSTER**

## THE STORY SO FAR...

Through fundraising events in Zambia, donations and grants the charity's committee has been able to provide:

- ★ 4 hectares of donated land, centrally located for children in need
- ★ a 3 classroom building with small admin office
- ★ a borehole with windmill pump and water tank
- ★ limited benches, tables, chalkboards for classrooms
- ★ limited Zambian Curriculum textbooks for core subjects
- ★ 1 qualified teacher and 2 assistant teachers

This school now has over 200 children attending and the teacher and his assistants are doing an excellent job with no resources except the few textbooks to guide their planning. The school covers grades 4-6 each morning and 1-3 each afternoon with children as old as 17 attending now they finally have a chance to go to school. Like in Government schools, all subjects are taught and assessed in English.

Having a direct contact with the volunteers who run the project in Zambia has enabled us to help and encourage, responding to immediate needs and seeing the direct impact of the help we offer.

Already we have raised funds through the bouncy castle at Exminster's Fete, Coffee on the Corner's charity morning and a sponsored water walk by St. Martin's Jnr church. 2 women have already self funded a visit to the school and hand delivered essential resources to equip and encourage the teachers and pupils bought with these funds.

"It was wonderful to see how this school is making a difference but there are so many simple ways that we as a community could continue to connect and help." said Michaela following her visit.

Mr Lifumpa, teacher at Nayamba School

Unlike so many larger charities this project enables you to have a personal connection with the people you are helping. All funds are collected through St.. Martin's church who are coordinating the support and monitoring the monies with the impact they are having.

**"What I love about this project is the direct involvement YOU can have."**  
Vanessa Pestrige

100% of donations go directly to the project as all the admin is carried out by volunteers. Any there are so many ways to get involved!

## WHAT ABOUT YOU?

### 5 ways to make a difference:

**Teacher Sponsorship:** It costs only £5 a day for a fully qualified teacher in Zambia. This school desperately needs more teachers and we want to be able to help by providing these ongoing costs. We are looking for 10 families to give £10 a month to provide a teacher, For this donation, you will know that 60+ children each day are able to learn and receive termly personal staff updates with examples of children's work seeing exactly how YOUR teacher has been impacting these children's futures.

**One-off Donation:** See overleaf "Future hopes" for what your donations will help us achieve. All donations gratefully received!

**Gift Boxes:** We will be sending over regular gift boxes which you can contribute to and see photos of your gift being enjoyed by these children.

**Pray:** We will be running a prayer update via email and if you would like to be included simply email [vanessa@jnrchurch.org.uk](mailto:vanessa@jnrchurch.org.uk)

**Give Yourself!:** Do you have any skills that would help this project either from here in the UK or by visiting yourself? Perhaps you have some personal contacts who you could ask to help us through donations, advice etc? Perhaps you'd like to help us fundraise? Or do a sponsored event for Nayamba school? If you have an idea we'd love to hear from you! That is the beauty of this project... everyone gets to join in! Teachers, dentists, medics, designers, solicitors, printers; challenge us to find a way to involve you!
